Reduced congestion...  
Greater economic development...  
Improved air quality...  
Expanded access to programs for young people and senior citizens...  
Transportation options for Hoosiers...

Join the  
**Indiana Citizens' Alliance for Transit!**

...and help make all of this possible!

ICAT's mission is to advocate for the immediate development and ongoing support of comprehensive transit options in communities across Indiana. The more members we have, the stronger our message to the legislature, so get on board! Here's how:

Visit [www.indianacat.org](http://www.indianacat.org) to find out all you ever wanted to know about us. Be sure to visit the "Join ICAT" page to register your support. We will contact you with updates on the activities of the alliance.

For more information please e-mail [info@indianacat.org](mailto:info@indianacat.org).

## Contact Your Legislators

Let them know their voters want more transportation options. Meet with them, write or phone them. Fact sheets and a sample letter are available on our website under "Take Action". Here's how to contact Indiana legislators:

**Online:**

Visit [www.in.gov/legislative/legislators/](http://www.in.gov/legislative/legislators/). Click "How to contact your legislator" or click "Who's your legislator" and follow instructions from there.

**By mail:**

[Your legislator's name]  
200 W. Washington Street  
Indianapolis, IN 46204
